INSTRUCTIONS

Please complete the attached questionnaire as accurately as possible. Federal law requires that all information given in the petition and the case must be complete, accurate and truthful. You must list all income and all assets (everything you have in your possession), **including your spouse's (even if your spouse is not filing)**. Even if you still owe money to a creditor, the property you are paying for is still in your possession and its value must be disclosed. When listing the value of your personal property, please list the 'yard sale' value and not what it would cost you to replace the property if lost.

Do not leave any blanks. If a question does not apply to you, check the " NONE" box or write "N/A" next to the corresponding question.

With regard to your debts:

- ◆ We will obtain a credit report from at least two of the three credit reporting bureaus in an effort to list all of the creditors you may owe money to. Realize that many credit reports contain errors and certain debts may not be reported to the credit bureaus. Therefore, it is necessary for you to provide a complete list of anyone you may owe money to.
- ◆ When names and addresses are requested, please provide detailed information. It is very important to make sure notifications are sent to the correct parties.
- ◆ Please provide such information as the date you incurred the debt and what the debt was for.
- ◆ Estimate balances on outstanding accounts as closely as possible.
- ◆ Do your best to provide all requested information for both the original creditor as well as any collection agency that has been assigned to the account.
- ◆ If you have been sued, please provide us with a copy of the lawsuit.
- ◆ Do not omit any bills. Notify us of any particular debts you are interested in paying after bankruptcy.
